

Who we are

PURPOSE

CREATION DESIGNS is a ministry to help churches and people with websites and graphics.

HISTORY

CD started with a couple Heartland Baptist Bible College graduates who desired to create websites in their spare time and has since expanded to become a ministry.

GOALS

With the desire to see churches start or expand their current websites, CD wants to help by:

- *Hosting setup*
- *Website startup*
- *Full setup of website*
- *Training on web creation*
- *Training on website “upkeep”*

The **main goals** of CD are:

- *For churches to have quality, appealing, professional and informative websites*
- *For each church to have one member who will commit to maintaining the website*
- *For each church to involve others (teens, homeschool moms, ministry leaders, etc.)*

What we do

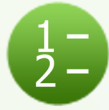

WEB DESIGN

The majority of our time and efforts will be placed upon seeing churches develop quality, appealing, professional and informative websites.

We can help!

- *If you want to start but don't know how*
- *If you have a website but you'd like to update*
- *If you are just looking into some options*

TUTORIALS

A major goal of ours is that YOU learn the easy process of keeping up your website and use the upkeep as a ministry for members of the church. Simple screencasts show you some of the things that we've done in creating websites and graphics.

GRAPHICS

While our graphics productions will not be our major emphasis, if you are interested in any files or anything we've done, we would love to help you if we can. If, for instance, in our website creation we recommend a new logo and accompanying graphics (letterhead, business cards, etc.), this can be discussed on a case-by-case basis.

How we charge

DONATIONS/LOVE OFFERINGS

Our goal is to help churches, and whatever compensation that is provided will be appreciated.

HOURLY TRACKING

We will track the time that we put into a project and report on hours spent. Whatever comparisons you desire to make with similar companies' pricing plans will be fine.

BILLING

Any bills that we send you will only reflect funds that have already been spent. Common purchases may include but are not limited to Wordpress theme purchases (\$30), domain purchases (\$10/yr.), hosting options (\$7/mo.) and stock images (\$5 ea.)
(prices may vary.)

Our websites

www.creationdesignsministry.com

Our main website will remain as the "hub" of the whole ministry. All the latest tutorials and information will be posted here.

www.graphics.creationdesigns.com

Our graphics site lists some of the jobs we've done as well as a few tutorials on how they were created. You'll find source files and several different productions, including branding materials (letterheads, envelopes, business cards, etc.) and church promotional materials (flyers, posters, event announcements, etc.)

www.printing.creationdesigns.com

A ministry-minded and generous church member has offered the services of a full local print shop. We will consider each print job and try to save you as much money as possible. Visit the website for more information.
